13 piece heatstyler set

Every hairstyle you can imagine is possible with the versatile styling tools. Be creative!

5 styles

5 styles: straight, big curls, ringlets, crimps and waves

Protective ceramic coating

Ceramic coating has non-stick properties on your hair and distributes the heat evenly.

Conical shape of barrel

With the conical curler (Ø13-25 mm) you can create different types of curls and waves: from tight ringlets to loose, natural looking curls and waves. It is fast and easy, no more kinks. Add volume to your hair by creating variations on the theme of curls!

Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.
