Highlights

650W

This airstyler has a low level 650W heater for gentle yet effective drying and styling.

Compact design

Compact and ergonomic, this styler benefits from a clever modern design. This results in a styler that is light and easy to handle yet small enough to store virtually anywhere.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

1.8 m cord

1.8 m power cord

38mm thermo brush

The thermo brush has an extra wide diameter of 38mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

Narrow concentrator

The concentrator works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch-up or to finish a style.
