Highlights

Click-on / click-off head

Switch quickly and easily between shaving and grooming with the click-on, click-off heads. The shaver head gives you a close but comfortable shave. The bodyroom head lets you trim your body hair smoothly.

Smooth face

Shave wet with shaving foam or gel for extra skin protection, or dry for convenience.

Precision blade system

The ComfortCut blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

Skin-friendly bodyroom

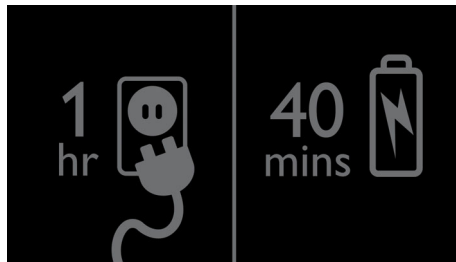

The dual-function bodyroom head lets you trim and shave in one smooth stroke. The hypo-allergenic foil shaver and round-tip trimmer help prevent skin irritation.

Wet & Dry

The Shave & Groom is water-resistant, so you can use it wet, dry or with gel. It's your choice: shave and groom yourself in or out of the shower.

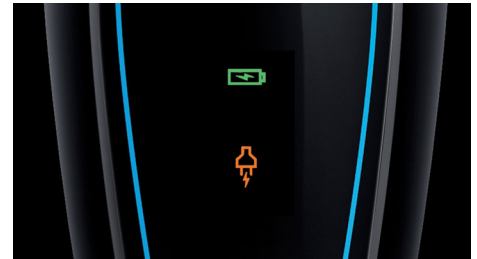

Powerful cordless

The powerful battery lasts up to 40 minutes after a quick 1-hour charge. A 5-minute charge gives you several minutes of running time, so you can quickly finish off.

Battery light

The battery light goes on to show when the battery is low, charging or full.

Built to last

All of our razors come with a 2-year worldwide guarantee and can adapt to any voltage. The trimmer blades never need to be oiled. The long-lasting shaving blades and bodyroom foil only need to be replaced every 12 months.
