70 minutes of cordless shaving

You'll have 70+ minutes of running time – that's about 25 shaves – on a one-hour charge. This shaver only operates in cordless mode.

1-hour charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.

SmartClick cleansing brush

Click on our cleansing brush to clean your face more thoroughly than you can by hand. Use it with the cleanser of your choice. It removes dead skin cells and increases micro-circulation, leaving your skin feeling fresh and radiant.
