Straight and protect, dual treatment in one go

SalonStraight DUO

The SalonStraight DUO's cool marble protection plates eliminate excess heat immediately after straightening, so the end temperature of the hair is much lower than with another straightener using the same styling temperature.

Beautifully styled hair

- Ceramic plates for smooth gliding and shiny hair
- Adjustable heat settings to ensure smooth results for every hair type
- 210°C professional high heat for perfect salon results

Less hair damage

- Cool marble plates provide instant heat protection

Time saving

- Instant heat: ready to use within 30 seconds

Ease of use

- On/off switch
- Easy storage hook for convenient storage
- Swivel cord to prevent tangled wires
- Easy lock for convenient storage
- Heat resistant pouch
- Automatic shut-off after 60 min

Specifications

Weight and dimensions F-box
