# Highlights

## Efficient root hair removal

Our epilators have uniquely designed precision discs that catch even the shortest hairs (0.5mm). That's hairs 4 x shorter than with wax, for up to 4 weeks of hair-free skin.

## Epilator for legs & arms

The Satinelle epilator has a large head for fast epilation on legs and arms. Its rounded shape fits perfectly into your hand for comfortable hair removal.

## Cordless mini epilator

The mini epilator has a narrow head specifically designed to catch hairs in hard to reach areas without pulling skin. It's battery operated for maximum convenience.

## Precise face tweezer solution

The set comes with matching tweezers ideal for removing hairs on face (upper lip, jaws) or for shaping eyebrows.

## Easy cleaning

A cleaning brush is included to remove loose hairs from epilator discs. Washable epilation heads ensure hygiene.

## BONUS: Limited Edition bag

Keeping epilators in a dry, dust-free space keeps them hygienic. The set includes a special limited edition storage bag for just that!
