asimpleswitch.com

Highlights

650W

The Air Styler with 650W airflow for a gentle drying and styling. Achieve beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

38 mm ThermoBrush

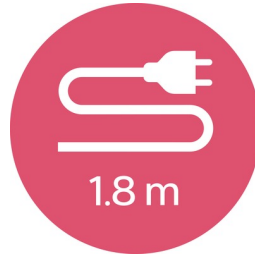

The ThermoBrush has an extra wide diameter of 38 mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

2 heat & speed settings

Two flexible heat and speed settings for easy styling.

1.8 m cord

1.8 m cord for maximum flexibility.
