PHILIPS

sense and simplicity

Highlights

Premium ice cooler

The patented ice cooler soothes the skin reducing the unpleasant feeling of epilation. Its pivoting head follows every curve of your body for optimal cooling and less pain.

Sonic massage with aloe vera

Tenderly stimulates the skin reducing the pulling sensation to a minimum and making the whole epilation process more comfortable.

Curved epilation head

Catches hairs as short as half a millimetre; you don't have to wait until the hair has fully grown before epilating again.

Rechargeable

The epilator is rechargeable enabling cordless usage so you can epilate everywhere.

Washable epilation head

Washable epilation head for extra hygiene and easy cleaning

Unique ceramic system

20% faster and more efficient.
