Highlights

Speed-XL shaving heads

The three shaving tracks offer 50% more shaving surface for a fast and close shave. *compared to standard rotary shaving heads.

Precision Cutting System

The electric shaver has ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.

Super Lift & Cut technology

The dual blade system of this electric shaver lifts hairs to cut comfortably below skin level.

Reflex Action system

Automatically adjusts to every curve of your face and neck.

Individually floating heads

Align the razor sharp blades of your Philips shaver closer to your skin for exceptional closeness.
Washable shaver

The waterproof shaver can be easily rinsed under the tap.
