Highlights

1600W of drying power

This 1600W hair dryer creates the optimum level of airflow, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

20 mm nozzle

The nozzle focuses the airflow for precision styling and touch-ups.

3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

Cool shot

The Cool shot provides a burst of cold air - a must-have setting to set and finish your style.

Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.
