Highlights

Ceramic textured head

The discs with ceramic textured tweezers catches the finest hairs, without pulling the skin.

Higher tweezing action

1,400 tweezing actions per second for satin smooth legs and body in 15 min.

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hairs as short as 0.5mm without pulling the skin.

Extra wide epilator head

Extra wide epilator head covers more skin with every stroke for faster hair removal.

Skin Stretcher

An innovative feature which keeps your skin firm as the epilation head passes and is preferred by women for a less painful epilation**

Shaving head

Shaving head follows the contours of your bikini line and underarms for a closer shave.

Trimming comb

Use the trimming comb on the shaving head to cut longer hairs before epilating or to trim your bikini area.

Massage attachment

Gently vibrating massage bar stimulates and soothes the skin for a pleasant epilation process.

Sensitive area cap

Specifically adapted for more sensitive skin. The cap covers the outer epilator discs, for a more gentle epilation in sensitive areas.

Convenient pouch

Small pouch for easy storage.

Cleaning brush

Small cleaning brush to remove loose hairs from the epilator discs.
