sense and simplicity

Highlights

1600 W for gentle drying

This 1600 W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hairdryer that will pack easily into even the smallest spaces and that you can take virtually anywhere.

Cool Shot

A must-have professional function, the Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Dual voltage

Dual voltage for worldwide use

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.
