

PHILIPS

NORELCO

do it yourself hair
clipper

180° rotating cutting element

QC5170/60

Cut your own hair

Even in hard-to-reach spots

Easy do-it-yourself cutting. Special combs closely follow every contour of your head and turn 180 degrees for the spots you can't see.

Best performance that feels great

- Contour-following comb for speed and comfort
- Self-sharpening stainless steel blades for precise results

Provides maximum ease of use

- Easy grip for total control
- 180° pivoting clipper head for maximum reach in all areas

Create the look you want

- 10 secured length settings up to 21 mm
- Precision detail trimmer to create and maintain your lines

Provides optimal power

- Extra powerful battery for easily cutting all hair types

Highlights

Contour-following comb

The contour-following comb adjusts to every curve to give fast and comfortable results.

Easy grip

The product is designed for an easy grip that gives you total control and makes the product easy to handle

Extra powerful

The extra powerful battery provides superior performance to cut even the thickest hair types

Precision detail trimmer

Create any style you want with precision.

Self-sharpening stainless steel blades

Self-sharpening stainless steel blades ensure a precise and even result every time.

10 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

180° pivoting clipper head

The 180° pivoting head enables you to comfortably reach even the back of your head for a perfectly even cut
