Renew for better results

Sharp & Close

To maintain the maximum performance from your Philips shaver, replace your shaving heads every 2 years

Comfortably close

- Super Lift & Cut shaving technology with dual blade system

A fast and close shave

- Triple-Track shaving heads with 50% more shaving surface

Perfectly close, even on the neck

- Flex & Pivot Action follows every curve

Highlights

Super Lift & Cut technology

Dual blade system: first blade lifts, second blade cuts for a comfortable close shave.

Flex & Pivot Action

Three independently flexing heads in a shaving unit that swivels with a full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.
