- Automatic shut-off after 1 hour
- Easy lock for convenient storage
- Including glamorous pouch for easy storage
- Swivel cord to prevent tangled wires
- 2 m cord for ease of use

Highlights

Style refresh

Automatic setting for healthy restyling. Maintain your style all day, while respecting the quality of your hair

Ion Conditioning

Ion Conditioning for shiny, frizz free hair

Digital settings

Digital settings with adjustable heat to get smooth results with all hairtypes

EHD+ technology

Advanced Philips EHD+ technology means that your styler will always distribute the heat very evenly - even at high temperatures, and prevents damaging hot spots. This gives added protection and thus helps to keep your hair healthy and shiny.

Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

Automatic shut-off after 1 hour

Automatic shut-off after 1 hour

Easy lock

Easy lock for convenient storage

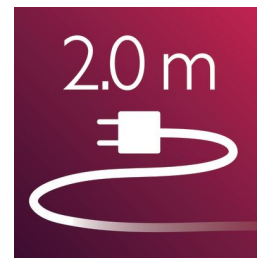

Including glamorous pouch

Including glamorous pouch for easy storage

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

2 m cord

The long cord gives you maximum flexibility.

230°C professional temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.
