#### Less hair damage

- Ceramic plates for protection

#### Ease of use

- Fast heat up time, ready to use in 60 seconds
- Closing lock to close the handle for easy and safe storage
- 1.8 m power cord
- Swivel cord to prevent tangled wires
- Universal voltage
- 2 years of worldwide guarantee

## Highlights

### 100mm long plates

The longer 100mm plates enable better contact with the hair to help you achieve perfect straightening results easier and in less time.

### Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

### Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

### 210°C styling temperature

This high temperature enables you to change the shape of your hair and gives you that sleek look you want.

### Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

### Universal voltage

Worldwide voltage for getting the perfect travel companion

### Protective ceramic plates

The smooth ceramic plates prevent damage to your hair during styling.

### 1.8 m cord

1.8 m power cord

### 2 years guarantee

2 years of worldwide guarantee.
