Highlights

Length setting LED display

A LED display shows the range of lengths for easy selection and setting

Contour-following comb

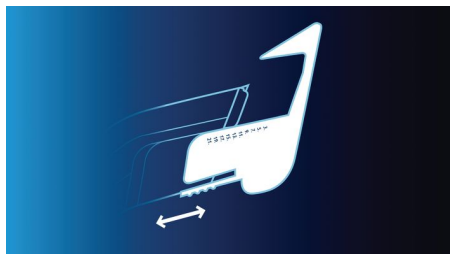

The 2D combs gently follow the contours of your head for a smooth, even and comfortable hair cut.

Skin friendly

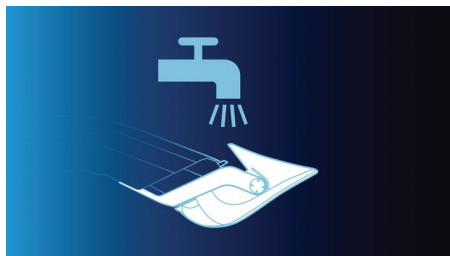

The rounded edges on the blades of your Philips hair clipper and combs are designed to avoid scratching the skin for a more comfortable experience.

Adjustable guide combs

Easily select and set your desired hair length without the hassle of having to change attachments.

100% washable

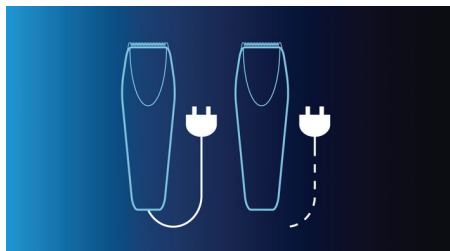

Wash the Philips hair clipper conveniently under the tap for a thorough clean.

Quick charge battery

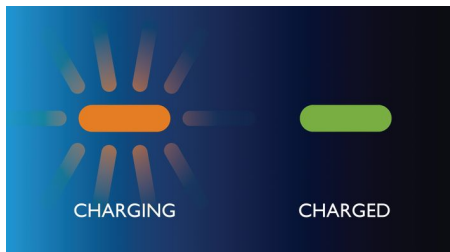

The lithium-Ion battery is fully charged in 1 hour and provides constant power for up to 60 minutes cordless use.

Corded and cordless use

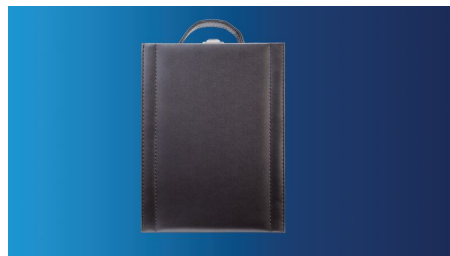

For flexibility and convenience the headroom can be used with or without the power cord.

Battery indicator

A light display flashes white to indicate that the battery is charging and turns constant when it is fully charged.

Luxury storage case

Safely keep together your product and accessories in its luxury case. Includes a styling comb, scissors and a cleaning brush.

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

Lubrication for life

No need for oil maintenance.

Range of 40 length settings

2 combs provide a full range of 40 length settings ranging from 3 to 40 with a precision of 1mm between each step up.
