Highlights

Trim-n-Flow Pro technology

The innovative comb design allows cut hair to flow away from the blades during use, preventing even long hair from getting stuck in the comb, so you can start and finish your style without interruption.

DualCut Technology

The Philips Hairclipper 3000 features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

28 lock-in length settings

Cut your hair to the exact length you want with 2 adjustable combs that cut between 3mm and 28mm at 1mm increments, a 2mm stubble comb, or remove the comb for a close 0.5mm trim.

Corded and cordless use

The hair clipper's powerful battery provides up to 75 minutes of cordless power after 8 hours of charging. Giving you maximum power and freedom.

100% washable**

Simply rinse your clipper under the tap for fast and easy cleaning.

Stainless steel blades

The self-sharpening steel blades are designed to be incredibly long-lasting. Even after 5 years they cut with the same precision and accuracy as day 1.

Comfortable grip

Philips clippers have a textured grip designed for easy handling, so you can cut your hair with control and in comfort.

Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.
