# Highlights

## Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

## 180°C temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look, as if you've just come from the salon.

## Instant heat up

The straightener has a fast heat-up time, being ready to use in 60 seconds

## Easy lock

Easy lock for convenient storage

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## 1.8 m cord

1.8 m power cord

## Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.
