### Ease of use

- Fast heat up time, ready to use in 30 seconds
- No more accidental change of settings with key-lock function
- Closing lock to close the handle for easy and safe storage
- 1.8 m power cord
- Swivel cord to prevent tangled wires
- Universal voltage
- 2 years of worldwide guarantee

# Highlights

## XL wide plates

These extra wide straightening plates and removable double action comb have been designed specially for undisciplined hair.

## 230°C variable temperature

Professional high temperature enables you to change the shape of your hair and get the smooth look you want.

## 14 temperature settings

Variable temperature settings give you accurate control and allow you to adjust temperature to your hair type minimising the damage.

## Ionic Care

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the

hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

## Keratin coating

The smooth ceramic plates prevent damage to your hair during styling. They are infused with Keratin to give your style ultimate smoothness and shine.

## Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

## Handle closing lock

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

## 1.8 m cord

1.8 m power cord

## Key-lock function

You are always in control. No more accidental switching on/off of the styler or temperature change with the Key-lock function. To unlock, press the button for 3 seconds.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## Universal voltage

Worldwide voltage for getting the perfect travel companion

## 2 years guarantee

2 years of worldwide guarantee.
