Aquatec Wet & Dry

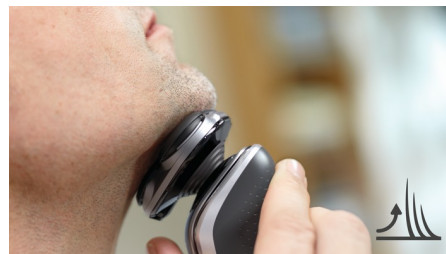

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

SkinProtection System

Shave close without nicks and cuts. The MultiPrecision Blade System with rounded head profile glides smoothly across, while protecting your skin.

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

60 min Cordless Shaving

You'll have 60 minutes of running time – that's about 20 shaves – on a one-hour charge. This shaver only operates in cordless mode.

1-Hour Charging Time

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave.
