- Guards against nicks on sensitive areas
- Cut hair to your length

Easy to use

- 120 minutes of runtime
- Showerproof for convenient use in the shower and cleaning
- Store it and stay organized
- Warranty for purchase protection

Highlights

Self-sharpening blades

The self-sharpening steel blades on this trimmer for face and body are reinforced with iron and tempered for maximum strength. This results in blades that stay as sharp as day 1. No rusting. No blade oil needed.

Unique OneBlade technology

Designed for facial styling and body grooming, the Philips OneBlade trims, edges and shaves any length of hair. It delivers an easy and comfortable shave thanks to a glide coating and rounded tips. And with a cutter that moves at 200x per second, it's efficient even on longer hairs.

12 tools for face, hair & body

The Philips Multigroom all-in-one hair trimmer comes with 12 attachments to provide a full-body grooming solution.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

6 impact-resistant combs

Quickly touch up your face and hair with the six reinforced cutting guards. 2 stubble combs for 1mm and 2mm trimming, 1 adjustable beard comb, 2 hair combs at 9mm, 12mm, and 1 OneBlade body comb at 3 mm.

Edge it up

Get precise lines in seconds with the dual-sided blade that enables you to see every hair you're cutting.

Shave it off

The OneBlade shaver doesn't shave as close as a traditional blade, ensuring your skin stays comfortable. Go against the grain and shave off any length of hair easily.

Guard

Attach the skin guard for an extra layer of protection on sensitive areas.

Up to 120 minutes run time

This Philips trimmer gives you up to 120 minutes of cordless use from a single 1-hour charge. A quick 5-minute charge provides enough power for one full trim.
