Highlights

Small ceramic head

The discs with ceramic textured tweezers catches the finest hairs, without pulling the skin.

Optimized speed

400 tweezing actions per seconds for perfect satin smooth results.

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hairs as short as 0.5mm without pulling the skin.

Award-winning handle design

The ergonomic handle is easy to hold and steer for maximum control and optimal reach on all body areas.

Open epilating system

The gap between the head and the s-shaped body improves visibility by letting you directly see the area you're epilating. The open epilating system also means you can easily clean the device.

Integrated safety bar

The integrated safety bar prevents from skin pinching and makes sure that nothing can happen to your skin.

Cleaning brush

Small cleaning brush to remove loose hairs from the epilator discs.

Cordless, Rechargeable

Cordless so you can use the epilator when and where you want as well as reach all areas easily.

Wet & Dry use

Use in bath or shower for a more convenient and soother epilation session.

Charging case included

Elegant case to charge and store the epilator.
