Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective as on day 1.

Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Cordless Use

Rechargeable only. Up to 45 minutes of cordless power after 10 hours of charging.

Ergonomic design

Easy to hold and use, which helps you trim in those hard-to-reach areas for fast trimming.
