

PHILIPS

NORELCO

DIY cordless hair clipper

Easy Reach 180° rotating head

13 built-in length settings

60mins cordless use/1h charge

QC5570/40

Cut your own hair with 180° rotating head

The Philips Norelco Do-It-Yourself Clipper has a unique 180° rotating head which makes it easy to reach even the most difficult spots. With a powerful cordless battery, you can give yourself a perfectly even and precise haircut every time.

Easy-reach design

- 180° rotating head for easy reach.

Performance

- 13 easy lock-in length settings from 0.5 to 15mm.
- Precision comb for a short buzz style.
- Up to 60 min of cordless power after 1 hour quick-charge.
- 2-year guarantee, worldwide voltage

Easy to use

- Rounded tips and combs prevent skin irritation
- Self-sharpening blades
- Corded and cordless use
- Battery light shows the battery status
- Fully washable for easy cleaning
- Rubber grip for maximum control

Highlights

180° rotating head

The rotating head gives you total control over the clipper's angle, so you can turn the head to reach even the most difficult areas with ease.

Skin-friendly

The rounded edges on the blades and combs are designed to avoid scratching the skin for a more comfortable trim.

Li-ion battery power

Use with or without cord for flexibility. The powerful lithium ion battery lasts for up to 60 minutes after a 1 hour charge. A quick 10 minute charge gives you 10 minutes of clipping time, so it's always ready when you are.

13 lock-in length settings

Turn the integrated zoom wheel beneath the clipper's head to select and lock in the length setting you want. Two combs provide length settings from 1mm to 15mm, with precisely 2mm between each length. Use the special precision comb for buzz cut...or use the clipper without a comb for a close 0.5mm trim.

Corded & powerful cordless use

Use it cordless or plugged in.

Battery light

Battery light glows white when full and blinks orange when 10 minutes remain.

Precision comb

Extra precision for the extra short hairstyles with a dedicated comb (lengths setting from 0.5mm to 3mm, with 0.5 mm steps).

Self-sharpening blades

The self-sharpening, stainless steel blades stay sharp longer and ensure top cutting performance.

100% Washable

Conveniently washes under the tap for a thorough clean.
