Highlights

DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to perform time after time, cutting hair twice as fast as regular Philips clippers, with a robust stainless steel guard for ultimate durability.*

Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

13 lock-in length settings

Simply select and lock in the length you want with the adjustable comb which provides 12 lock-in length settings from 1mm to 23mm,

with precisely 2mm between each length. Or you can use it without the comb for a close 0.5mm trim.

Efficient corded use

Power cord provides constant power.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper on www.philips.com/5years to receive an

additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5-year worldwide warranty in total.

No oil needed

No oil needed, for easy maintenance and to save you time.
