Highlights

Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

100% waterproof

Simply pop the head open and rinse clean this waterproof beard trimmer under running water.

Follows every curve

The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

1mm Buzz Comb

Extra precision with the 1mm buzz comb for extra short hairstyles.

Battery light

The light is continuously lit to indicate a full battery, and blinks orange when you have about 10 minutes left of usage.

12 lock-in length settings

Two combs provide length settings from 1mm to 21mm, with precisely 2mm between each length. You can use it with the specialized comb for buzz cut...Or you can use it without a comb for a close 0.5mm trim.

Premium pouch and accessories

Includes everything you need for a professional haircut at home. Comb and scissors are included as well as a premium pouch, to keep the hair clipper and accessories safely together.

Turbo power

The turbo power button boosts cutting speed for a perfect cut on even the thickest hair.
