Highlights

Retractable bristles

Unique retractable bristles guarantee fast and safe application. After wrapping your hair around the brush, rotate the cool tip, and the bristles will be retracted. This unique feature secures safe hair release, and maintains the perfect shape of your curl.

Silky Smooth ceramic coating

Silky Smooth ceramic coating for better care of your hair

190°C styling temperature

190°C styling temperature secures long lasting result while minimizing risk of hair damage.

38mm barrel

38mm barrel helps add volume and movement to your hair by creating soft, natural looking curls and waves.
