

# PHILIPS

Beard trimmer

Beardtrimmer series  
1000

Stainless steel blades

DuraPower, 60min cordless use

USB charging

4 stubble and beard combs

BT1215/15

## Durable consistent performance with DuraPower Self-sharpening stainless steel blades

The DuraPower technology ensures a long-lasting battery performance, while the self-sharpening stainless steel blades trim consistently as on day 1. This trimmer can also be charged with a micro-USB cable and runs for up to 60 minutes.

### Trimming performance

- Stainless Steel Blades for long-lasting sharpness
- Choose beard lengths of 1-3-5-7mm or the zero trim look
- Skin-friendly blades for smooth skin

### Easy to use

- DuraPower technology for a longer lasting battery life
- Up to 60 minutes of cordless use after 8 hours charging
- USB charging for convenient use
- Lights indicate when battery is low or charging
- Travel lock prevents trimmer from accidentally starting
- Simple maintenance
- Easy to grip

### Built to last

- 2 year guarantee, worldwide voltage, no oil needed

# Highlights

## Stainless Steel Blades

Get a perfect yet protective trim, time after time. The trimmer's steel blades lightly brush against one another, sharpening themselves as they trim so they stay extra sharp and effective as on day 1.

## DuraPower technology

The DuraPower technology lowers the friction on the blades, which protects the motor and the battery from being overloaded. This way, the battery life time of your trimmer is increased by 4 times.

## 60 min cordless use

Charge your trimmer for 8 hours with your USB cable to get 60 minutes of cordless use.

## USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

## Choose any of the 5 looks

You can choose from 1mm stubble comb or any of the 3mm, 5mm or 7mm beard combs, to get the beard length you want. Alternatively, you can remove the comb and get the zero trim look of 0.5mm.

## Battery indicators

The battery indicators in this trimmer let you know what your battery status is: low or charging. This way, you can charge your trimmer on time and you won't end up with an empty battery in the middle of your trim.

## Skin-friendly blades

Blades have rounded tips for smooth contact with skin to prevent scratching and irritation.

## Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

## Easy to clean

It's easy to keep your Philips beard trimmer as good as new - simply rinse the device and detachable head under running water.

## Ergonomic design

Easy to hold and use, which helps you trim in those hard-to-reach areas for fast trimming.

# Specifications

## Cutting system
