Highlights

180° rotating head

Makes trimming your own hair easier than ever. Simply select the best angle to comfortably reach all parts of your head without any assistance.

8 locking length settings

Turn the wheel to simply select and lock in the length setting you want. The adjustable comb provides length settings from 3mm to 15mm, with precisely 2mm between each length. You can also use it without a comb for a close 0.5mm trim.

Corded use only

Power cord provides constant power

Easy to clean

Simply pop the trimmer head open and use the cleaning brush included to sweep away loose hairs.

Follows every curve

The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

High performance trimmer

The trimmer blades have extra-sharp, self-sharpening edges to cut hairs neatly and effectively, but with rounded tips to protect your skin.

Skin friendly trimmer

Rounded blade tips prevent skin irritation, while the ultra-sharp cutting edges deliver an excellent trimming performance.
