PHILIPS
sense and simplicity

Highlights

Sonic massage with aloe vera

Tenderly stimulates the skin reducing the pulling sensation to a minimum and making the whole epilation process more comfortable.

Washable epilation head

Washable epilation head for extra hygiene and easy cleaning

Hypoallergenic discs with anti-bacterial coating

The ceramic epilation head has hypoallergenic discs, reducing the risk of allergic skin irritation.

Rechargeable

The epilator is rechargeable enabling cordless usage so you can epilate everywhere.

Curved epilation head

Catches hairs as short as half a millimetre; you don't have to wait until the hair has fully grown before epilating again.

Unique ceramic system

20% faster and more efficient.
