Highlights

Integrated non-slip handles

If you need to move your breadmaker or store it in a cupboard, you'll be glad of the sturdy integrated non-slip handles that make it easy to lift and move around.

Safe-to-touch base

The base stays cool and safe to touch

14 programs for bread and jam

The Philips breadmaker has 14 easy-to-use preset programs that bake any bread to perfection, from rich and satisfying whole wheat to gluten free, French and sweet varieties. It also makes specialty breads such as Borodinsky, Easter bread and delicious dough for pasta, even jams too. Whatever you bake, it's always delicious and easy to do because the pre-sets take care of the temperature and time for the best possible results. If you're in a hurry, you can use rapid program for quicker result, or even super rapid program that just bake in one hour only.

2 bread sizes for selection

Bake just the right amount of bread for your needs. Simply choose the loaf size on the control panel to bake medium (750g) or large (1000g) depending on your needs.

3 browning levels

Thanks to the advanced temperature control system, the Philips VIVA breadmaker let you enjoy your bread just as the way you like it, whether light, medium or dark crust, only with a simple push on the control panel.

'Add' ingredients indicator

During the mixing stage, the breadmaker will give 'beep' sounds to alert you to add other special ingredients to your specialty bread if you wish.
