- ThermoProtect temperature setting

### Easy to use

- 3 heat and 2 speed settings for maximum styling control
- Lightweight, comfortable design
- 2m power cord

### Stylish design

- Sleek, stylishly designed hairdryer

# Highlights

## Powerful 2000W drying

Philips DryCare 2000W has the power you need. Its fast, powerful 2000W airflow ensures great styling results.

## No over drying and smoothing

Philips DryCare has a ceramic element for to prevent overdrying and smooth hair. The element delivers infrared heat. This gentle warmth dries and smoothes hair from within, protecting it from overdrying while still drying the hair fast and effectively.

## IONIC shine and condition

Philips DryCare has an IONIC shine enhancing button for smooth, frizz-free hair. Charged negative ions remove static, smooth cuticles and condition hair. The result is hair that is smooth, shiny and beautifully glossy.

## Cool Shot

Philips DryCare has the all-important Cool Shot button. The Cool Shot provides a burst of cool air to set and finish your style.

## Volume diffuser

Philips DryCare has a volume diffuser for adding volume and enhancing curls and bounce. For best results, hold the diffuser close to the crown and root area. Its fine textured pins will add volume, maximize thickness, bounce and help shape curls.

## 14mm concentrator

The narrow opening of the 14mm nozzle concentrates the flow of air to specific areas. Use for focused styling together with the dryer and a brush.

## ThermoProtect setting

Philips DryCare has a ThermoProtect setting. This setting dries hair at the most effective yet caring temperature. Hair dries fast without overheating.

## Accurate control

Philips DryCare has 3 heat and 2 speed settings for maximum styling control. Easy to set and style with, you can use to get exactly the power and temperature to suit your style.

## Lightweight design

Philips DryCare weights only 450 grams making it comfortable to handle and hold. Its lightweight design makes styling easy without compromising on power.

## 2m cord

Philips DryCare has a 2m long power cord for flexibility and reach when styling.

## Stylish design

Philips DryCare is a sleek, stylishly designed hairdryer. Its attractive dark mauve color is distinctive and looks as good as the results the dryer achieves.
