Highlights

Efficient epilation system

Efficient epilation system leaves your skin smooth and stubble free for weeks

Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal. It looks great too!

Massage cap

Massage cap eases the epilation sensation.

Opti-light

Unique built-in light ensures less hairs are missed for a more effective epilation.

Washable epilation head

This epilator has a washable epilation head. The head can be detached and cleaned under running water for better hygiene

Travel pouch

Travel pouch for storage and transportation

2 Speed settings

2 speed settings to remove thinner and thicker hairs for a more personalized hair removal treatment.

Sensitive area cap

For more gentleness in different body areas it includes a delicate area cap to easily remove unwanted hairs from underarm and bikini.
