# Highlights

## Precision trimmer

The precision trimmer perfectly grooms the bikini line with precision and comfort. Trims hair to a length as short as .24 inches/0.6mm.

## Precision comb

When using the precision trimmer with the precision comb, you can trim the hair in your bikini area to your ideal length. With the 5 length settings you can trim to hair length of .08 to .39 inches (2-10mm)

## Micro shaver

The micro shaver can be used to shave along contoured edges to remove any stubble while creating a smooth, well-defined bikini line.

## Pen trimmer

Banishes facial hair or touches up the bikini line

## Exfoliation glove

The exfoliation glove mildly exfoliates your skin, removing dead skin cells, leaving your skin beautifully smooth/radiant.

## Travel bag

So you can take BikiniPerfect wherever you go

## Wet & dry

Use in and out of the shower or bath.

## Rechargeable/Cordless

Rechargeable and up to 60 minutes of cordless creativity
