Epilator

Satinelle

Total body

with bikini trim attachment

HP6609/01

Ultra close for silky smooth skin

Catches the shortest hairs for perfect results

Get started into epilation with this new Philips system, removing even the short hairs from the root, leaving your skin silky smooth for weeks. Comes with a unique set of first-time user attachments, which help you achieve the best results.

Perfect epilation starter set for the total body

- Opti-start + massage cap for efficient and gentle epilation
- Use this attachment for a close and more gentle epilation
- Sensitive cap for delicate skin
- Bikini trimming head for precision styling

Optimal ease of use

- Profiled, ergonomic grip for comfortable handling
- Choose the right speed according to your needs
- Fully washable epilation head for better hygiene

Skin comfort

- This epilation system removes hair as short as 0.5 mm

Highlights

Opti-start cap with massage

For a maximum skin contact at all times while relaxing your skin before epilating, this combi-attachment positions the epilator at the optimum angle for a constant effective hair removal

Lift and massage attachment

Lifts even the short hairs for an extra close epilation and relaxes your skin for a gentler hair removal at the same time

Sensitive cap

Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas.

Bikini trimmer head

Bikini trimmer head for precise trimming and styling of your bikini area

Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal. It looks great too!

Two speed settings

Speed 1 for extra gentle epilation and speed 2 for extra efficient epilation

Hypo-allergenic

Additionally the hypo-allergenic discs assure an optimal hygiene.

Washable epilation head

The head can be detached and cleaned under running water for better hygiene
