Max 7 bar pressure Up to 450 g steam boost, 1.8 L detachable water tank, Carry lock

PSG7014/16

Highlights

Guaranteed no burns

Even if you're multi-tasking or get distracted, you'll never burn your clothes. Thanks to our OptimalTEMP technology, we promise this steam generator iron will never burn any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

No settings to change

Save a step in your weekly ironing routine. You won't need to separate fabrics or change settings and wait for the temperature to change any more. Thanks to OptimalTEMP, you iron everything from your denim jeans to delicate silks without adjusting the temperature. It does it all for you automatically and immediately.

Ultra-powerful steam

When you need to tackle tough creases with ease, rely on our continuous steam to do the hard work for you. Watch those creases melt

away when you use an extra boost of steam where you need it. And it's perfect when you want to steam vertical curtains or refresh hanging clothes.

SteamGlide Advanced soleplate

Our superior SteamGlide Advanced soleplate delivers smooth gliding performance on any fabric. Its stainless steel base is twice as hard as aluminium, and our patented 6-layer coating with its advanced titanium layer effortlessly glides on any fabric for the fastest results.

Lightweight iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight also makes it easy and effective for vertical steaming of curtains and hanging clothes.

1.8 l detachable water tank

1.8-litre transparent tank gives you up to 2 hours of continuous use. When the water tank

is empty, you will be reminded by the indicator light and you can refill easily at any time under the tap through the large filling door.

Easy De-calc

Regular descaling protects your iron, extends its lifetime and ensures the best steam performance. Our exclusive Easy De-Calc system collects limescale continuously with an indicator light to tell you when it needs emptying. Simply remove the plug and let the water and scale particles flow out.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Steam generator iron

Max 7 bar pressure Up to 450 g steam boost, 1.8 L detachable water tank, Carry lock

Specifications

Easy to use

- Heat-up time: 2 min
- Safe on all ironable fabrics: Even delicates like silk
- Water tank capacity: 1800 ml
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Advanced
- Detachable water tank
- Cord freedom (swivel): 180 degree cord freedom
- Refill anytime during use
- Power cord length: 1.65 m
- Drip Stop
- Hose length: 1.7 m
- Ready to use: Light indicator
- Soleplate scratch resistance: 5 stars
- Water low indicator

Technology

- OptimalTEMP technology
- Cyclonic steam chamber
- For all ironable fabrics
- No burns
- No temperature settings needed

General specifications

- Hose storage: Compartment
- Safety carry Lock
- Auto shut-off

Fast crease removal

- Pressure: Max 7 bar
- Power: 2100 W

- Steam boost: Up to 450 g
- Continuous steam: Up to 120 g/min
- Vertical steam
- Voltage: 220-240 V
- Ready to use: 2 min
- Steam-on-demand

Scale management

- Descaling and cleaning: Easy De-calc
- Descaling reminder: Light

Storage

- Cord storage: Velcro fix

Size and weight

- Weight of iron: 0.8 kg
- Packaging dimensions (W x H x D): 31.5 x 31.5 x 47.5 cm
- Product dimensions (W x H x D): 24 x 27.5 x 42 cm
- Total weight with packaging: 5.3 kg
- Weight of iron + base: 3.85 kg

Green efficiency

- Energy saving*: 30 %
- Product packaging: 100% recyclable
- User manual: 100% recycled paper

Guarantee

- 2 year worldwide guarantee
