MultiFlex Heads

Guard Mode

S6640/44

Reduces skin irritation

with anti-friction coating

The Philips Series 6000 delivers a perfectly clean shave and reduces skin irritation at the same time. It has Anti-Friction coating that creates a smooth surface and effortlessly glides over your skin for less irritation.

Shaving performance

- MultiPrecision Blades cut efficiently even on short stubble
- 5 directional contour following for a comfortable shave

Skin comfort

- Anti-Friction Coating for an effortless smooth shave
- A gentler rotation speed setting for better skin comfort
- Skin Protection System glides smoothly to protect your skin
- Aquatec gives you a comfortable dry or refreshing wet shave

Ease of Use

- Shaver can be rinsed clean under the tap
- Fully charged in one hour
- 60 minutes of cordless shaving once fully charged
- LED display with icons to use the shaver intuitively
- One touch open for easy cleaning

Highlights

MultiPrecision Blades

Get a shave that's fast and close. MultiPrecision Blades lift up both long and short hairs to cut them – and any remaining stubble – in just a few strokes.

Anti-Friction Coating

A special coating applied to the shaving rings is designed to reduce friction on your skin, creating an effortless, smooth shave that minimizes skin irritation.

MultiFlex Heads

5-direction Flex Heads with 5 independent movements follow the contours of your face, and enable the shaver to glide over your skin comfortably with minimal resistance.

Skin Guard Mode

Select the extra protection setting for a gentler rotation speed designed to give you better skin comfort.

Skin Protection System

Shave closely without nicks and cuts. The Skin Protection System glides smoothly across your skin with its rounded head profile, while keeping your skin protected.

Aquatec Wet & Dry

Adapt your shave routine to your needs. With the Aquatec Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

1-hour charging time

Charge your Philips shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery.

60 minutes of cordless shaving

Shave cordlessly for 60 minutes after one full battery charge.

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

LED Display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: – 3-level Battery Indicator – Cleaning Indicator – Battery Low Indicator – Replacement Head Indicator – Travel Lock Indicator.

One Touch Open

Simply pop the heads open, and rinse thoroughly under the tap.
