PHILIPS

Highlights

Smart Sensing technology

The new generation of Philips Airfryer does the thinking for you. Enjoy perfect results in two easy steps. Choose a food type and press the button to cook. Smart sensor automatically adjusts the time and temperature for effortless, perfect results. Every time!

Smart chef programmes

Our professional chefs designed the Smart Chef programmes to do the thinking and cooking for you. Fresh or frozen fries, drumsticks or a whole chicken and even a whole fish-with just one touch, your Airfryer XXL will do the thinking and cooking for you.

Save your favourite meal

You can save your favourite dish and it will make it just the way you like, every time. And

at the touch of one button. The favourite mode will cook your meal for the perfect time and temperature for ultimate convenience. Whether it's a delicious hot breakfast or favourite family recipe, it's perfect every time.

Rapid Air for 90% less fat

Enjoy healthier fried food that's crispy on the outside and tender on the inside with up to 90% less fat*. The Philips Airfryer XXL uses hot air (instead of oil) to fry food with little to no added oil. Philips Rapid Air creates 7 x faster airflow so that you can enjoy crispier results* and delicious taste.

Remove excess fat from food

Now you can eat healthier dishes and remove the excess fat from food. Phillips XXL is the only Airfryer with Fat Removal technology that separates and captures excess fat. Savour all the taste of a roasted whole chicken with crispy skin, tender meat and up to 50% less saturated fat****.

XXL Family-size meals

Yes, you can cook family-size meals in the new Airfryer XXL. Its full-size capacity makes cooking a large, delicious meal easy. You can cook a whole chicken or even up to 1.4 kg of fries to satisfy hungry family or friends. Cook up to six portions with the large 7.3 l capacity basket.

Bake. Grill. Roast. Or reheat.

You can make hundreds of dishes in your Airfryer XXL. Fry, bake, grill, roast and even reheat your meals. Every bite is as delicious as the last thanks to Philips Air flow and the starfish design. It cooks food uniformly from all sides for perfect meals every time.
