- Stainless steel espresso machine

**GAGGIA**  
MILANO

## HIGHLIGHTS

### Pressurised Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema — whatever coffee blend you may choose.

### Ground coffee and pods

For your convenience you can choose between ground coffee and pods

### 15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

### Cup warmer

This feature allows you to not only store your espresso cups and glasses right on the espresso machine, it also pre-heats them letting the aroma unfold even better and guaranteeing a long-lasting crema

### Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.

### Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a “Pannarello”. It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!

### Full stainless steel

Premium material for long-lasting machine and easy to clean.
