Highlights

Cool shot

For fixing the style you created with a shot of cool air for long-lasting results.

Ion conditioning

Give your hair an instant boost with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

Nine flexible speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect end result. Nine different settings ensure maximum control for precise and tailored styling.

2100 Watt professional performance

The combination of heat and superior airflow brings you the quickest way to dry your hair.
