High-power performance for fast cooking results

## Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

## Unique product design

Philips Airfryer's unique design which combines fast circulating superheated air, starfish design and optimal heating profile allows you to fry a variety of delicious meals in a fast, easy and healthier way without necessarily adding oil.

## Splatter proof lid

The splatter proof lid can be used to cook more delicious dishes like healthy chips, dehydrate fruits and vegetables, roast coffee beans etc. - ingredients which otherwise, without the lid would fly out of the basket due to the high speed airflow of the Philips Airfryer with Rapid Air Technology.

## Quick Clean design

Quick Clean removable bottom: the unique Quick Clean bottom of the Variety cooking basket for Philips Airfryer has a non-stick coating which enables cleaning within seconds as it prevents many types of food from sticking. In addition, the bottom is easily detached so that you can quickly clean even the edges and corners with precision. The bottom can be cleaned under the tap or safely in the dishwasher. The innovative Variety basket for Philips Airfryer has a unique design. It's inspired by nature and has been proven in tests to give the highest clean.

## International recipe booklet

This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the Airfryer. It also introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food healthier, faster and more conveniently.
