# Highlights

## 20 locking length settings

Simply select and lock in the length setting you want: from a stubble of 0.5 mm up to a full beard of 10 mm, in precise 0.5 mm steps.

## 3-day beard, every day

Set the trimmer at the lowest position for a perfect 3-day beard, just 0.5mm long

## Battery light

Battery light glows green when the battery is full, and blinks orange when 10 minutes remain.

## Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage, and never need oil

## Corded and cordless use

Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

## Diamond-like carbon blade

Ensures the cutting element stays sharp 3 times longer than traditional stainless steel blades

## Ergonomic design

Comfortable to hold and easy to manoeuvre for hard to reach areas.

## High-performance trimmer

The trimmer blades have self-sharpening edges that cut hairs neatly and effectively. Blades are extra-sharp but have rounded tips to protect your skin

## Skin friendly trimmer

Rounded tips provide smooth skin contact, while the sharp cutting edges deliver a high trimming performance

## Easy to clean

To clean the trimmer head, simply rinse it under the tap.
