Advanced technology designed for coffee perfection

- 20,000 cups of finest coffee with durable ceramic grinders
- Fine-tune the coffee's richness with 5 grinder settings

 **Saeco**

Highlights

5-steps adjustable grinders

When it comes to the fineness of the grind, this machine never fails to satisfy. Different coffee blends require different levels of granularity for the full flavor to unfold. So the grind granularity of this machine has five adjustable settings - from the finest grind for a full-bodied espresso, to the coarsest for a lighter coffee.

100% Ceramic grinders

Our grinders are made of high-tech ceramic: exceptionally hard and precise. Fresh beans are gently ground, without risk of overheating: extracting all the best flavors and aroma, delivering a superior coffee taste for at least 20,000 cups.

Removable brewing group

Efficiency and ease of use were key inspirations when Saeco invented the first brewing group

30 years ago. And to this day, it still proves to be an inspired, resolute piece of technology. As always, it's so simple to clean – just remove it and wash it under the tap for a few seconds, then re-insert it just as easily.

Classic Milk Frother

The Classic Milk Frother is for those who love to assume the role of master craftsman, and it's just easy. Within seconds you can create a rich, silky layer of foam - the crowning glory of your coffee.

Specifications

Country of origin

- Made in: Europe

Weight and dimensions

- Waste container capacity: 10 servings
- Coffee bean capacity: 300 g
- Product dimensions (L x D x H): 256x440x340 mm
- Weight: 8 kg
- Dimensions of product (WxDxH): 256 x 440 x 340 mm

Technical specifications

- Cord length: 0.8 m
- Voltage: 230 V
- Capacity bean container: 300 g
- Frequency: 50 Hz
- Brewing time one cup: 45 (espresso) to 100 (long coffee) s
- Capacity water tank: 1.5 L
- Capacity waste container: 10 servings
- Pump pressure: 15 bar
- Max. cup height: 130 mm
- Water boilers: 1

General specifications

- Suitable for: Whole coffee beans, ground coffee powder
- Cups at the same time: 2
- Ease of cleaning & maintenance: Automatic rinse cycle, Automatic de-scaling cycle, Removable brewing group, Optional Brita water filter
- Coffee strength settings: 3
- Customizing per drink: Adjustable temperature, Adjustable cup volume, Adjustable coffee strength
- Ease of use and comfort: Removable spout, Removable drip-tray, Display, Automatic shut-off, Automatic stand-by
- Grinder settings: 5
- One touch variety: 3
- Special functions: Ceramic grinder, Steam option, Hot water option, Pre-brewing, Manual milk

frother Pannarello

- Type of boiler: Quick heat boiler
- Type of display: LCD
- Coffee drinks: Espresso, Cappuccino, hot water, Café Crème, frothed milk, Espresso Macchiato, Latte Macchiato
