Highlights

Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

High performance design

The revolutionary design ensures superior handling for a perfect shaving experience.

Precision tube trimmer

Patented tube trimmer technology for great precision and manoeuvrability. Perfect for contouring and trimming moustache and sideburns.

Washable shaver

The water resistant shaver can be easily rinsed under the tap.

Flex and Pivot Action

Three independently flexing heads in a shaving unit that swivels with full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

Super Lift & Cut technology

The dual blade system lifts hairs to cut comfortably below skin level.
