

# PHILIPS

Cutting Element  
Conv.

CP1391

## Part of your beard trimmer

The stainless steel blades are doublesharpener, cutting even the thickest hair precisely. They sharpen themselves by lightly brushing against each other, so no replacement or oiling is needed throughout your trimmer's lifetime.

### **Ease of using Philips spare parts**

- Easy renew your product with original Philips parts

# Highlights

## Easy renew of product parts

From time to time your product needs a facelift but it was never so easy like with Philips consumer replacement parts to renew your product. This all with guaranteed Philips quality.
