

Philips Premium
Airfryer XXL

Fat Removal technology

Rapid Air technology
black, 1.4 kg
+ 1 accessory

HD9654/96

Maximum taste, minimum fat

Crispy taste, reduces fat others leave behind*

The Philips Airfryer XXL uses hot air to fry your favourite food with little or no added oil. New Fat Removal technology is designed to extract and capture fat from the food, making this a healthier way to fry for you and your family.

Designed for your daily cooking

- Time and energy efficient
- QuickClean and dishwasher-safe for all removable parts
- XXL family size fits a whole chicken or 1.4 kg of fries
- Keep Warm mode for flexible serving time
- Digital display with 5 preset cooking programs

Variety of cooking possibilities

- Fry. Bake. Grill. Roast. And even reheat.
- Exclusive HomeID app
- With grill bottom to perfectly grill fish, meat and more

A healthier way to fry*

- Fat Removal technology separates and captures excess fat
- Fry with little or no oil
- Rapid Air technology for delicious crispier results

PHILIPS

Highlights

Fat Removal technology

Eat healthier dishes with excess fat removed from food. The Philips Airfryer has Fat Removal Technology that separates and captures excess fat. Enjoy delicious food that's crispy on the outside and tender on the inside with maximum taste and minimum fat.

Keep Warm mode

With our handy Keep Warm mode, you can enjoy your meal when you're ready. It will keep your food warm and at the ideal temperature for up to 30 minutes.

QuickClean & dishwasher-safe

Clean-up is fast and easy thanks to the Airfryer QuickClean basket with removable non-stick mesh insert. Both the basket and removable drawer with non-stick coating are also dishwasher-safe for no-fuss cleaning.

XXL family size meals

Yes, you can cook family-size meals in the new Airfryer XXL. It's full-size capacity makes cooking a large, delicious meal easy. You can cook a whole chicken or even up to 1.4 kg of fries to satisfy hungry family or friends. Serve up to six portions with the large 7.3L capacity pan.

Rapid Air technology

Philips' Rapid Air technology creates 7x faster airflow for deliciously crispy results**. Enjoy healthier and tasty snacks and meals that are crisped to perfection yet tender on the inside.

Fry with little or no oil

The Airfryer uses hot air to cook your favorite food with little or no added oil, so you can fry with up to 90% less fat***. Enjoy great-tasting, crispy results like deep fried, with the least amount of fat.

Time and energy efficient

Philips Airfryers work more efficiently to save you time and energy by cooking delicious meals with up to 70% less energy and up to 50% faster than a traditional oven.***

Digital display with 5 presets

The digital interface is easy to use with preset cooking programs for one-touch cooking of frozen fries, meat, fish, whole chicken and chicken drumsticks. A QuickControl dial sets both temperature and cooking time.
