- Automatic Energy Saving

# PHILIPS

# Highlights

## Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

## Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

## Steam tip

The unique steam tip of this Philips iron, combines a particularly pointed front of the soleplate with special elongated steam slots in

the tip, to reach right into the smallest and most difficult areas for the best ironing results.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Auto Energy Saving

**Automatic Energy Saving** The innovative feature in the Philips steam iron, makes sure you get the 100% steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

## Automatic shut-off

The safety auto off function automatically switches off the appliance if it has not been used for a few minutes, also saving energy.

## Steam boost up to 160 g

The steam boost can be used for vertical steaming and tough creases.
