- Manually adjustable time and temperature control
- Easy to clean and creates less smell than normal fryers

Tasty and Versatile

- With the Airfryer you can fry, grill, roast and even bake
- Recipe booklet full of inspiring recipes

PHILIPS

Highlights

Rapid Air technology

Using Rapid Air technology, the Airfryer circulates hot air around a metal mesh cooking basket, requiring little or no oil as it fries, bakes and grills. The starfish design on the bottom of the Airfryer facilitates air circulation, ensuring your favorite foods cook evenly.

Time and Temp control

Its integrated timer allows you to pre-set cooking times of up to 30 minutes. The auto-off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 390 Fahrenheit. Enjoy crispy golden-brown fries, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

International recipe booklet

This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the Airfryer. It also introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food healthier, faster and more conveniently.

Unique product design

Philips Airfryer's unique design which combines fast circulating superheated air, starfish design and optimal heating profile allows you to fry a variety of delicious meals in a fast, easy and healthier way without necessarily adding oil.

Dishwasher safe parts

The removable nonstick coated drawer and the food basket are dishwasher safe for a quick and easy clean up. Philips Airfryer with Rapid Air Technology saves you and your home from the smell of fried oil compared to a regular fryer.

Specifications

Technical specifications

- Voltage: 110 V
- Power: 1425 W
- Cord length: 0.8 m
- Frequency: 50/60 Hz

Design

- Color: Black

Capacity

- Basket (kg): 0.8 kg

Weight and dimensions

- Dimensions of product (LxWxH): 287 x 315 x 384 mm mm
- Weight of product: 7.0 kg

Sustainability

- Packaging: > 90% recycled materials
