## Highlights

### Rapid Air technology

Airfryer's unique Rapid Air technology enables you to fry, bake, roast and grill the tastiest snacks and meals with less fat than a conventional fryer, by using little or no oil! Philips Airfryer with Rapid Air technology also creates less smell than conventional fryers. It is easy to clean, safe and economical for daily use!

### 0.8kg cooking capacity

Large cooking capacity for all your favourite recipes

### Time and Temp control

Its integrated timer allows you to pre-set cooking times of up to 30 minutes. The auto-

off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 200 degrees. Enjoy crispy golden-brown fries, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

### 1400 W power

High-power performance for fast cooking results

### Versatile cooking

Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favourite dishes for a one-stop solution for all of your meals.
